

## Build your own Bouquet Event

Saturday September 12, 2020

- 2 Corinthians 2:15

*"For we are a fragrance of Christ to God among those who are being saved and among those who are perishing."*

Smell the flowers. Do the flowers smell good or bad?

When we do things, we want to do things that are good and honor God. We want to be pleasant smelling for God. That means we should shower and be clean but also be sure that what we do are good things

- Ephesians 5:2

*"and walk in the way of love, just as Christ loved us and gave himself up for us as a fragrant offering and sacrifice to God."*

Look at how the flowers in your bouquet look different. Each one has their own fragrance.

Just like the flowers, we are all different. We are also still all very beautiful in God's eyes. We each have something different and great to offer to God and to offer those around us.

- Isaiah 29:13

*"And the Lord said: "Because these people draw near with their mouth and honor me with their lips, while their hearts are far from me, and their fear of me is a commandment taught by men."*

How is this bouquet different from fake flowers? What are the differences?

God sees us how we really are. God's know that in our hearts we are good or bad. If we pretend to be good but are bad, God knows that. Just as you might see, beautiful flowers but they are fake. Do good things for God and others, and God will see your beauty inside and out.
